

Product Portfolio: Newyork Timber

Elevate Your Projects with Premium Wood Solutions

Newyork Timber offers a comprehensive product portfolio designed to meet the diverse needs of architects, builders, interior designers, and furniture manufacturers.

Premium Teak Woods

Burma Teak

The epitome of elegance and durability for high-end applications.

Valsadi Teak

Rich, golden-brown teak known for its exceptional density and strength.

Uttarakhand Teak

Warm golden-brown teak from India, known for its strength and rustic charm.

Benin Teak

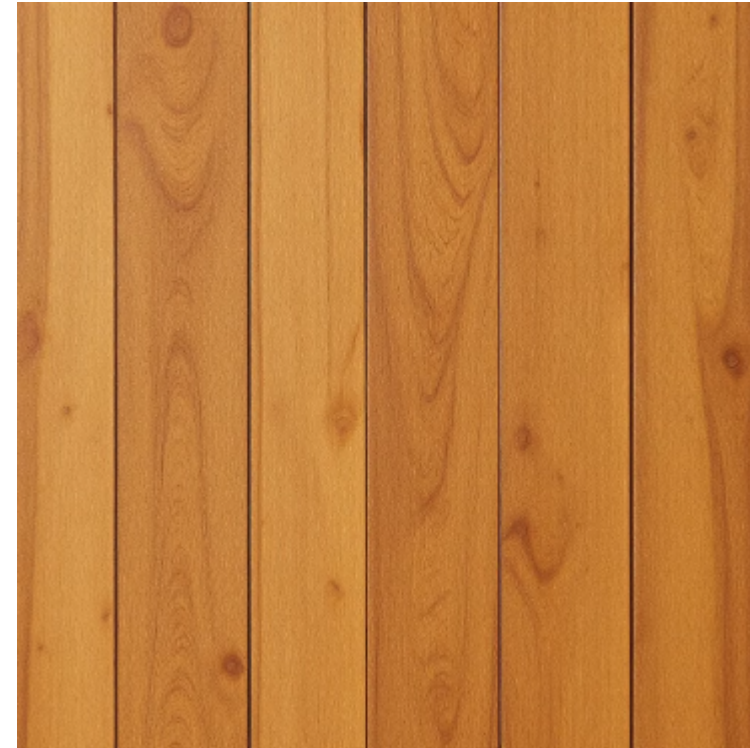

Warm-toned teak with a distinctive grain, ideal for luxurious interiors.

Exotic Teak Varieties

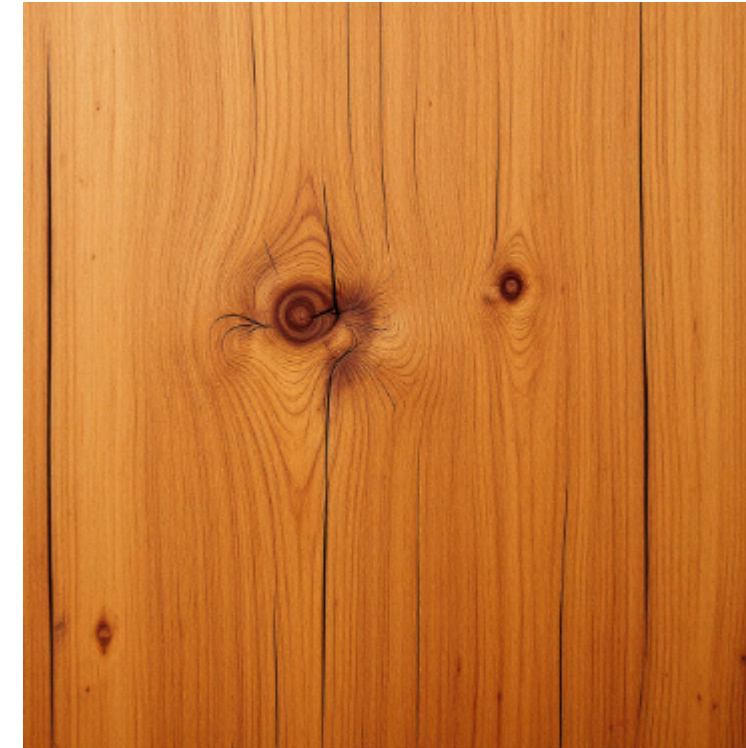

Tanzania Teak

Golden-brown teak with a flowery grain, perfect for crafting exquisite furniture.

Sudan Teak

Durable teak with a warm reddish-brown hue, suitable for demanding applications.

Ivory Teak

Elegant teak with a pale cream color, adding sophistication to any design.

Special Ghana Teak

Teak with a golden-brown color and tight grain, perfect for various projects.

Decorative Hardwood

Walnut Wood

Dark and rich-toned wood, ideal for creating luxurious accents and furniture.

White Oak Wood

Strong and versatile light-colored wood, perfect for modern furniture and flooring.

White Ash Wood

Light and smooth-grained wood, offering a classic and versatile aesthetic.

Sycamore Wood

Creamy white, with fine texture, subtle sheen, sometimes with attractive curly grain.

Specialty Hardwoods

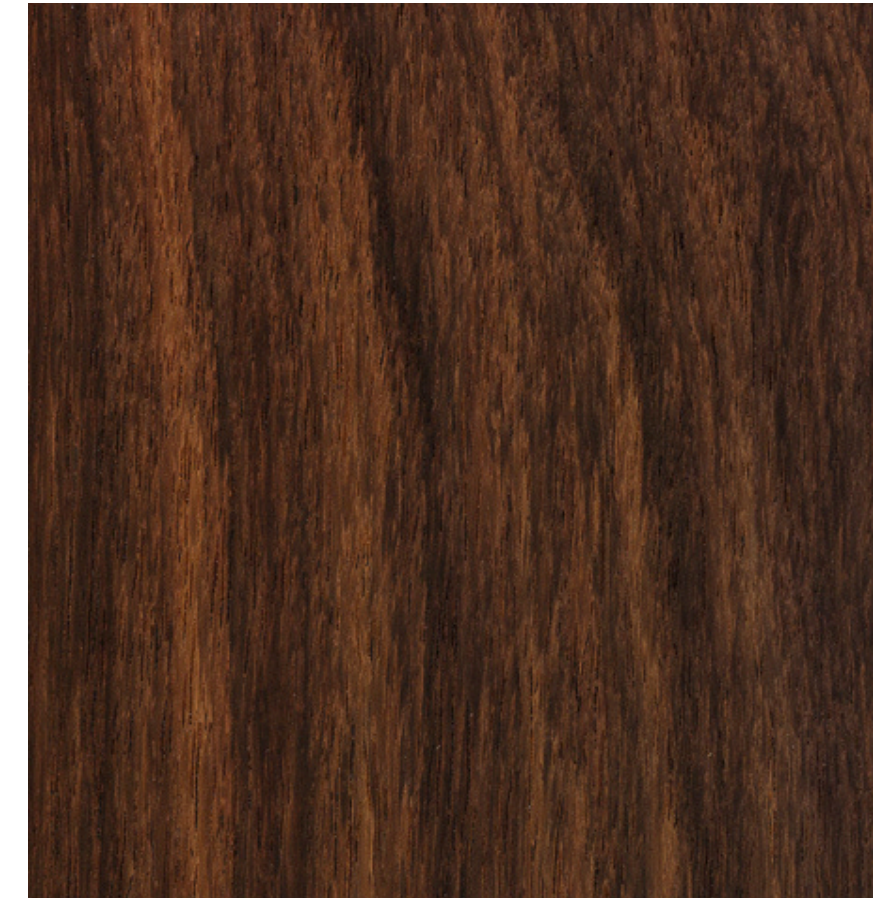

Ebony Wood

Dense black or deep brown with exceptionally fine texture and high natural polish.

Wenge Wood

Dark brown with striking black veins with coarse and distinctively striped look.

Shisham Wood

Rich brown hues with darker streaks and appealing irregular grain patterns.

Specialty Hardwoods

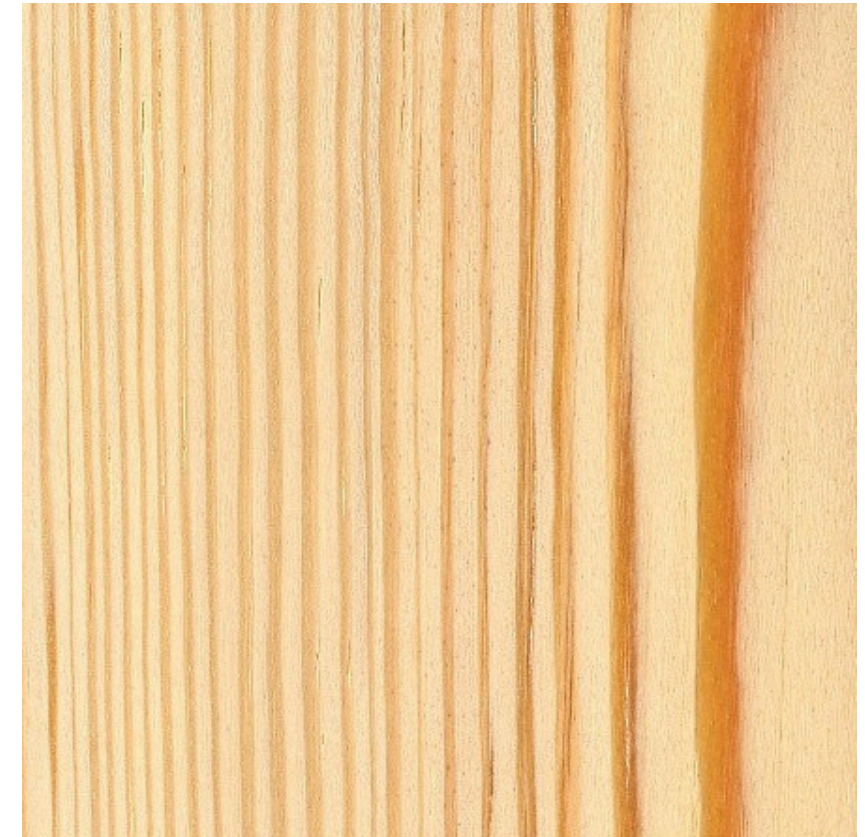

**Steem Beech
Wood**

Pale pink to light brown,
tight uniform grain, offers
a warm consistent tone.

**Malaysian
Meranti Wood**

Light to dark reddish-
brown, often interlocked
grain, moderately dense
wood.

**German Chill
Wood**

Light-colored, softwood,
even texture, excellent for
detailed carving work.
